

SHIPPING INSTRUCTIONS for KLR650 685cc and 705cc Kits

WHAT TO SEND:

- Kit only with required cylinder machining, boring & ring gapping - Ship us just your cylinder.
- Complete Package with head porting - Send us both your cylinder and your head with the cams re-installed. Leave the intake manifold on.

Notify M-Tech prior to shipping via email mtechmotorcycles@gmail.com or call **541-388-5005**.

SHIP TO:

M-Tech Motorcycles
63043 NE Plateau Dr,
Bend, OR 97701

Package very carefully. M-Tech is not responsible for any damage to your cylinder or head in transit. We recommend individually wrapping the cylinder and the head in cardboard and then packing securely with more packing material in a larger box. Include this completed form. We will contact you when we receive your package to confirm your order.
