M-TECH MOTORSPORTS
BEND, OREGON
63043 Plateau Drive, Bend, OR 97703 : 541-388-5005 : mtechmotorcycles@gmail.com : www.mtechmotorcycles.com

WHAT TO SEND:

- 685 or 705 Base Kit with required cylinder machining, boring, & ring gapping - **Ship us just your cylinder**
- 685 or 785 Complete Package with head porting - **Ship us your cylinder and head with the cams re-installed. Leave the intake manifold on too.**

NOTIFICATION:

Please notify M-Tech prior to shipping via email or phone, so we are prepared to recieve your order:
email: mtechmotorcycles@gmail.com **Phone:** 541-388-5005

PACKAGING & SHIPPING:

Package very carefully!! M-Tech is not responsible for any damage to your cylinder or head in transit. We highly recommend individually wrapping the cylinder and head in cardboard first. Then packing securely with more packing material in a larger box. Include this completed form in the box with your shipment. We will contact you when receive your package to confirm your order.

Ship to: M-Tech Motorcycles - 63043 Plateau Drive - Bend, OR 97703
